## Bladt Industries strengthens the Legal Department with the employment of Jens Kristensen as the new Chief Legal Officer.

Bladt Industries strengthens the Legal Department with the employment of Jens Kristensen as the new Chief Legal Officer.

On 1 April 2021, Jens Kristensen join as Chief Legal Officer at Bladt Industries A / S and at the same time join Bladt's management team.

Jens Kristensen comes from a position as Vice President, Projects- and Large Contracts, Corporate Affairs at NKT Cables Group and has 20 years of legal experience from, among others, the companies NKT, Alcatel, Vestas and ABB.

He also has extensive experience with international construction contracts, both on- and offshore.

"It is our expectation that Jens Kristensen with his legal and managerial experience can strengthen our Legal Department and contribute to an increased legal focus on our tenders and contracts," says CEO of Bladt Industries, Anders Sjøe-Jensen.

"I am very much looking forward to optimize the value of the legal support both for my colleagues internally and externally to our partners," says Jens Kristensen.
