

# Pipework

Renovation of pipes and rebuilding at Lille Torup gas storage

**CLIENT**

Energinet.dk

**CONTRACT TYPE**

Individual trade contract

**TIME FRAME**

2010 - 2015

**LOCATION**

Aalestrup, Denmark

**Project description**

Lille Torup is one of two natural gas stores in Denmark. Bladt Industries has on several occasions made pipe renovations of 100 bar flush lines and 220 bar natural gas pipelines.

In terms of carrying out the assignment, all technical challenges on the project have been solved in a very good cooperation with the client.

The project has been running for a long period of time with a continuously and satisfying collaboration between Bladt Industries and Energinet.dk. Bladt Industries has through all work met the high quality requirements within the projects.

**FACTS**

- 100 bar flush lines
- 220 bar natural gas lines
- On-site project work

 Quality is  
**everything**
